

THE BRITISH PISTOL CLUB

CHRISTMAS SHOOT - 2011

This shoot is run completely differently from all others held during the year and deserves an explanation.

Firstly it is a **Sunday morning** only shoot and this year it will be held on **Sunday 11th December**. It is **unsquadded** and shooting will take place on the N.S.R.A. 10m air range. The disciplines available will be 60 and 40 shot Precision at 10m, but a **half-course only** of each. Shooting takes place between 9.30a.m. and 12.30p.m., followed by a three-course Turkey and Christmas Pud lunch.

Medals cannot be claimed but prizes will be presented to the first two places in each event.

The cost is £17.00 per head - £6.00 shooting and £11.00 for lunch (or £11.00 if not shooting). Members' guests are most welcome.

Your **early reply** would be appreciated in order to assist with the catering arrangements and the booking of the target requirements.
